

RETIREMENT ANNOUNCEMENT

The Victory Baptist Church of Kansas City, Missouri called me as its pastor and my work here began on August 24, 1994. For Lyndy and me these past twenty- two years have been the best and happiest of our lives. I am now seventy five years old and age is catching up with me. I find that physically and emotionally I am no longer able to continue as your pastor. Because of this I am today announcing my retirement as your pastor effective at the close of the afternoon service on Sunday February 28, 2017. I do not want to retire but I must face the realities of age. I am leaving while there are no serious problems in the church. Lyndy and I plan to move to the Grenada, Mississippi area and to join the Central Baptist Church of that city where Brother Bill Lee is pastor. Lyndy and I will miss all of you greatly. We have purposely told none of our people of this decision so that everyone will learn of it at the same time.

Lovingly and thankfully submitted this first day of January 2017,

Laurence Justice, Pastor
